Featured producer... My Little Chickpea

My Little Chickpea Gourmet Foods (MLC) LOVES to help busy people live well with ready-to-eat salads, dips, dressings, falafels and pita chips. The creation of former restaurateur Rula Sharkawi, the company was launched last year with the desire and passion to offer foods that not only taste great, but are good for you too. Most recently, a July 26, 2014 [National Post review](#) of MLC's dressings/marinades called them "fiesty...uncompromising...a minimum of strictly natural ingredients...these are fantastic - an upgrade for virtually every salad or marinade..." Other signature products include the renowned Thai Coconut Hummus, Naked Chickpea Gluten Free Falafels, Orange Ginger Raw Kale Salad and the crispiest whole wheat baked Sea Salt Pita Chips you ever had. Most of MLC's products can be found in the co-op. For more information check out www.mylittlechickpea.com and on Facebook, www.facebook.com/mylittlechickpea

My Little Chickpea has been with us since the very start... remember our Open House in 2012, before we even had any shelving? MLC was there! We are grateful to have them part of the CCFC family.
